

## **COMMENT FAIRE UN POP IT EN PAPIER**

## Matériel:

- x2 gabarits ananas à imprimer
- x2 gabarits ronds à imprimer
- gros ruban adhésif transparent
- ciseaux
- colle
- pistolet à colle

Mettre du ruban adhésif sur les gabarits, recouvrir les ananas et les ronds, découper

Coller les ronds ensemble par couleurs identiques

Cranter les ronds, superposer les parties l'une sur l'autre et coller

Coller les bulles au dos de l'ananas

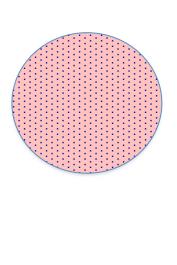

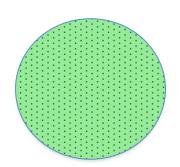

Coller l'autre ananas au dos du 1er pour recouvrir le tout
